

Homework Templates

Each child should complete a weekly Gospel reflection exercise and the activity from the What the Church Believes and Teaches catechism handbook.

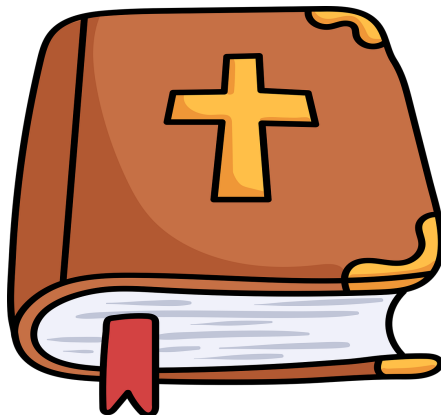

Bring completed templates to the next pick up event in October.

We included a variety of templates in your packet... drawing, writing, and combined. Use whatever works best.

If you need more copies of a specific template, you can always print more at home.

You may also use the back of the templates to complete reflection exercises. For drawings, turn page to landscape view if you want.

Have fun on your adventure and thank you for keeping the faith on fire in your home!
